

Payment Methods

Configure the list of accepted payment methods that appear on invoices such as check, cash, credit card, and other options.

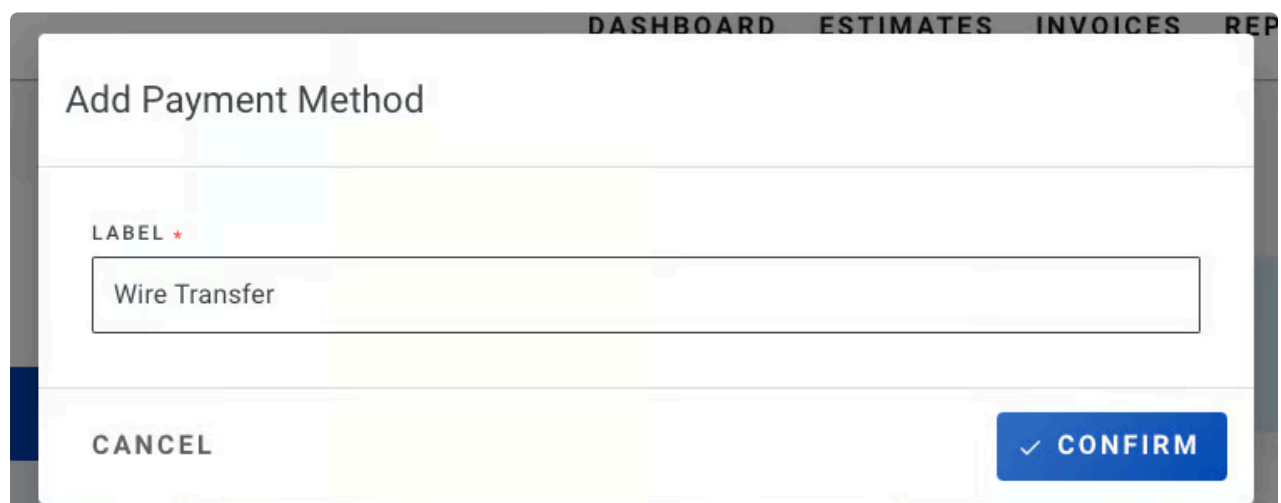

PaintScout lets you configure which payment methods appear on your invoices, such as check, cash, credit card, and other options.

How to Add a Payment Method

1. Go to **Account Settings > Invoices > Payment Methods**.

2. Click the **+Add New Payment Method** to add a new option and click **Confirm**.
